6. One of the most biodiverse countries in the world

Section 05

"Sri Lanka Travel and Tourism were great from start to finish! Very quick response on the first contact as well as planning our journey according to our requirements. They met all our expectations from places to visit and hotels chosen, and they got us a driver for our 6 day stay that made it all possible. I highly recommend Sri Lanka Travel and Tourism, as our experience with them was excellent."
